Dear Miss. Hidden:

You card received and we are
glad you are having a wonderful
trip. We have had weeks of
rain, storm, thunder & lightning which
is becoming irksome. Will be glad
when some real Spring weather arrives.
Another of our relics went last month.
The whale bone pavement in front of
Monterey Church taken up and replaced
by bricks. It became too dangerous -- so they go!
Best wishes M. & L. Slevin
